Marissa

We can shift it. I will let the Ohio Coal Workgroup know that we need to drop off a half hour early. It's a 2.5 hour meeting so I am fine ending a little early with them.

Let me know if you have good number to reach you at or I can set up a call in for you. Let me know.

Andrea

Andrea,

I will be in WV all next week for training, but I could get on a call during my lunch break between 10:30-11:30am (CST) on Nov. 4. Let me know if that will work for you.

Thanks,

Marissa
